Dear Ministry Center Volunteer,

Re: *Assumption of Risk and Release of Liability form related to construction of the Ministry Center for Liberty Evangelical Free Church.*

This form was recommended by Church Mutual Insurance (our church insurance provider), our Ministry Center attorney and approved by the Elder Board.

We as a church greatly appreciate and value all volunteer hours given to construction of the Ministry Center. We also know that the time to construct the facility will include many hours of work taking place in a "construction environment." Therefore, to assure as much safety as possible and to provide some protection in possible cases of liability, the attached release has been prepared.

All volunteers will be required to sign a release before working on the Ministry Center project. The form must be signed prior to picking up a hammer or contributing in any way physically to the construction of the Ministry Center.

Please read through the release fully before signing it. When you do sign it, please have a witness (church office staff or church leader) also sign on the designated line. We will keep the original form in the church office and have a list at the work site.

One detail to make note of is that all volunteers must be at least 12 years old. Therefore anyone under the age of 12 will not be permitted to participate in the construction of the project. This is a safety issue that must be enforced. In addition all volunteers from the ages of 12-17 must have parental permission and supervision to participate in the construction. The release includes a section for this permission to be granted.

If you have any questions please direct them to the church office 628-1980 or a member of our Deacon or Elder Board.

Once again thank you very much for your willingness to serve Christ through this project.

Your Elder Board:

Rob Warner, LeRoy Groenendyk, Dick Kraayenbrink, Brent Lanser, Merlan Rolffs, Tim Vander Molen, Pastor Dane

*"Stand fast therefore in the liberty wherewith Christ has made us free, and not be entangled again with the yoke of bondage."
Galatians 5:1*
