- I will maintain the minimum insurance coverage required by the church and only volunteer to drive when such insurance policies and coverages are in force. (Required for **When driving a privately owned vehicle**, I understand that in case of any accident, injury, or vehicle damage, the church's liability insurance policy does not provide primary or direct insurance on my vehicle. The church's insurance may take effect only after my personal auto insurance limits are exhausted and does not provide any comprehensive or collision coverage on my vehicles(s). I also understand and acknowledge that any additional automobile liability insurance protection that may be provided under the church's comprehensive general liability insurance policy is only for authorized drivers while transporting passengers in privately-owned vehicles on church sponsored or sanctioned events. I understand that the church's insurance is only for an amount in excess of the limit of liability provided by the private vehicle's owner's or driver's liability insurance policy. **Damage to any private vehicle, including the owner's, is the responsibility of the volunteer driver.**
- To my knowledge, my vehicle has a current, valid registration, is in safe operating condition (brakes, tires, etc.), complies with all applicable state laws in the state in which it is registered for vehicle inspections, and has a current, valid inspection sticker (if required by state law).
