

## **Bridal/Baby Shower Policy:**

The Liberty family would like to celebrate your joyous event with you. We would love to honor new brides/couples/parents-to-be with a shower. However, to ensure clarity and alleviate misunderstandings, the following policy is being put in place.

The couple/parents (of first baby) need to contact the office/deaconesses if they desire to have a shower. Deaconesses will not be responsible for figuring out who needs/wants a shower. This will be the responsibility of each individual or family.

The deaconesses will find a person to form a committee to plan each individual shower. The committee will be in charge of organizing the entire shower as well as covering any associated costs with the event.

Liberty E-Free will provide the use of the church facility, paper products, and printing of invitations. The committee will need to create the invites themselves but printing can be done at church. Planning and creating items for the event will not be the responsibility of the office staff.
