

Liberty E-Free family: YOU ARE MISSED!!! I miss greeting you on Sunday mornings and interacting with many of you throughout the week. You are a blessing in so many ways! These are scary days! Yet as we looked at Psalm 46 online last Sunday, these are also times when we are invited to “take our hands off” (the literal translation of verse 10) and experience God’s strength & care in a deeper way.

ATTACHED to this email is a Lenten season Bible reading plan that takes you through Easter. You can make a copy of it and put it in your Bible. This Bible reading plan takes you chronologically through the last days of Christ’s life. Hopefully, this will be one small way to help you tune your minds & hearts towards the true meaning of Easter during these chaotic days. Christ gives us great HOPE!!

Just because we aren’t meeting together “live” does not mean that people aren’t interacting with one another. Ministry continues at Liberty!! Here are some examples of things going on:

- We held our first online worship service on Sunday! THANKS to our worship team; plus John Rietveld, Pastor Rob, Jackie Rietveld, and Samatha Meinders for their roles in making things happen. I have heard a lot of positive feedback so far. You can still watch the service by going to our website (libertyefree.org). Beginning this Sunday at 9:00 a.m. you are invited to watch the March 29th service online.
- Pastor Rob did Senior High Youth group via Zoom (Zoom?? Just imagine multiple “FaceTimes” all at once via the computer). A good response! He plans to do similar things with our middle school students.
- One of our adult Sunday School teachers used Zoom last Sunday to interact with several of the class members all at the same time.
- I heard one person share about how all of their Life Group (small group) members “got together” via online conferencing for 1-1/2 hours ... all from their own homes!!
- Awana and Children’s Church will soon have videos, songs, and activities available for parents to download for their children. Be watching our website and your email for future instructions.
- Phone calls-- Thank You to those who accepted my challenge last Sunday to use your cell phones to contact people within the Liberty E-Free Church family. Many people have been encouraged by your phone calls!! Others have been contacting their neighbors.

I’m sure there are many other things that people are doing to stay connected. I encourage you to keep thinking of creative ways to stay in touch with Liberty family members. *“Continue to encourage each other and build each other up, just as you are already doing.”* (1 Thess. 5:11).

Pastor Dane
