**Worship with Liberty E-Free Church Online THIS SUNDAY!!**

**Beginning THIS SUNDAY (March 22) any time after 9:00 a.m.** you will be able to experience a taste of worship at Liberty Evangelical Free Church in Pella!! One of our worship teams has recorded 3 songs, and Pastor Dane will be preaching & praying. Just follow the links & instructions below any time after 9am and your family can enjoy a time of worship from your home. This certainly isn't the best scenario (gathering together is!!), but this will allow you (and family) to be encouraged in your Christian walk. Pastor Dane's message is entitled *The Coronavirus: God's Word & Our Responses*.

***The easiest way: simply go to Liberty's website and look for the link.***

***NOTE/SPOILER ALERT--*** Pastor Dane's sermon (covering the coronavirus issue) is around 40 minutes in length. This is an important & relevant issue. If you plan to watch as a family and have younger children; you can pause the video half-way through, let them get the wiggles out, and then finish watching a bit later. Pastor Dane's online sermons during the remaining "*online weeks*" will tend to be shorter than this.

*We look forward to "seeing" you on Sunday ... online that is!!*
