

Decision on when Liberty E-Free will begin Public Worship services

April 28, 2020

Liberty E-Free Church family-- Boy do we continue to miss seeing everyone!! We are SO looking forward to the day when we can be back together to worship & fellowship & personally encourage one another to grow closer to Christ.

Yesterday (April 27th) the Governor gave nearly every Iowa church a huge surprise. Basically, a proclamation was given that grants permission for all churches to "re-open" without any size limitations. We are simply supposed to respect strict social distancing guidelines and practice very careful hygiene habits.

So, when will Liberty E-Free hold their first public worship service??? That is a very good question that the Elders will be discussing tonight (April 28th). Please pray for good discernment and unity amongst the Elders. We want to meet together as quickly as possible, but only when it is safe to do so. We will communicate to you promptly after a decision is finalized. Be in prayer!!
